

HAPPY NEW YEAR 2009

Thought for the New Year:-

The successful implementation of a good idea is worth more than a thousand good ideas NOT ACTED UPON.

A woman customer called the Canon help desk with a problem with her printer.

Tech support: Are you running it under windows?

Customer: "No, my desk is next to the door, but that is a good point. The man sitting in the cubicle next to me is under a window, and his printer is running fine."

Why Why Why

Why do we press harder on a remote control when we know the batteries are getting weak?

Why do Banks charge a fee on "insufficient funds" when they know there is not enough?

Why does someone believe you when you say there are four billion stars, but check when you say the paint is wet, then sit on it.?

This little fellow joins the Lazaration Order of the Monks and takes a vow of silence. However, he's promised the Head monk that he can speak two words a year. After the first year he says "More Blankets" After the second year the Head monk asks him again for his two words for the year, he replies "more food". After the third year the Head monk asks him for his two words for the year.....he replies...."I'M LEAVING" The Head Monk say's... "THANK GOD....you've done nothing but complain since you got here,"!!!!!!

JOKE OF THE DAY:

A **DISTRAUGHT** senior citizen phoned her Doctor's office. "Is it true that the medication you prescribed has to be taken for the rest of my life?" she asked. Yes I'm afraid so the Doctor told her. There was a moment of silence before the senior lady replied: "I'm wondering, then, just how serious is my condition, because this prescription is marked "no repeats"

MALE OR FEMALE?

1. Freezer bags:- They are male because they hold everything BUT, you can see right through them!
2. Tyres:- Tyres are male, because they go bald easily and are often over inflated.
3. Sponges:- These are female, because they are soft, squeezable and retain water.
4. Egg Timers:- Egg Timers are female because, over time, all the weight shifts to the bottom.☺
5. The Remote Control:- Female HA! It easily gives a man pleasure, but he'd be lost without it, and while he doesn't always know which buttons to push, he just keeps trying.☺

ARE YOU GOD?

A man went ice fishing, started to make a cut in ice when a voice from above boomed out! "There are no fish in there," so he moved to another spot, started to cut a hole in the ice, the same voice said, "There are no fish there". The same thing happened again. The man raised his eyes to Heaven and asked "Are you God?" The voice replied "No I'm the manager of the Skating Rink!!"☺☺☺

SINGLE OR MARRIED?

It is better to be single, but no boys.

They need someone to clean up after them.
