General Meeting Monday 6th July at 10.30am
Venue: Avoca Beach Bowling and Recreation Club.
Guest Speaker: Arthur Jones – “The Spy who Escaped the Net”

No Sessions are held at Kincumber on this day. All members are encouraged to attend and also stay on afterwards for a Bistro Lunch and social time with other Members.

Hi, Well I have returned after yet another trip overseas and have already picked up where I left off. It was a good trip and I think I have yet another 1000 or so pictures. It would be nice to have a little bit of the heat that we had in Cuba rather than this cold and damp weather. Think I'll go back for some sun and music. Most of our trainers are now back and operating again, so things are almost back to normal, whatever normal is!

This month we have a Guest Speaker who has a long association with Computer use. He will talk about a different slant on Computers and their use.

Next month is the Annual General Meeting and it would be nice to see a few new people put up their hands to serve on the Committee. Remember without people who are willing to put in time on the committee there is no Club. See Beverley if you are interested.

I would like to remind members that renewals are now due. The Annual subscription is still only \$5.00.

The new sessions are all operating but a lot of the people who booked spaces and confirmed it have not been turning up. When you don't turn up you might be preventing someone else having access to that course. Please let the Trainer or myself know if you cannot take up your place. The Trainers phone numbers are available at the Club or on the member's page of the Website. I would like to welcome all the new members who joined and wish you all well with your computer endeavours.

Extra sessions are as listed just remember if you have put your name down for any of these sessions you are expected to turn up. If you haven't put your name down but want to attend you can, without making a booking. The extra Session are:
