

## Thought for the Month

The key to happiness lies not in external factors, such as wealth and physical wellbeing, but in the power of Positive Thought.

**Male or Female? You might not know this, But a lot of non-living objects are actually either male or Female. Here are some examples.**

- Freezer Bags: They are male, because they hold everything in, but you can see right through them.
  - Photocopiers: These are Female, because once turned off; it takes a while to warm them up again
  - Tyres: Tires are male because they go bald easily and are often over inflated
  - Hot air Balloons : Also a Male object, because to get them to go anywhere, you have to light a fire under butt.
  - Sponges: These are female , because they are soft, squeezable and retain water. Thanks Lisa Buki

A Psychiatrist was conducting a group therapy session with four young mothers and their small children. `You all have obsessions,~ he observed. To the first mother, Mary, he said, ~You are obsessed with eating. You`ve even named your daughter Candy.` He turned to the second Mum, Ann” `Your obsession is with money. Again it manifests in your child`s name, Penny.` He turned to the third Mum. Joyce: `Your obsession is alcohol. This too shows itself in your child`s name, Brandy.` At this point the fourth Mother, Kathy, quietly got up, took her little boy by the hand and whispered, `Come on Dick, we`re leaving. Your brothers Peter and Willy are waiting for us.

## The Woolworths Cat

A blonde was weed-eating her yard and Accidentally cut off the tail of her cat. Which was hiding in the grass. She rushed her cat, along with the tail over to Woolworths,

Why Woolworths?

HELLOOOOOOOOOOOOOOO!!

**Woolworths is the largest re-tailer in the world!!!!!!!**

**Why does the Bride always wear white? Because white matches, dishwasher, stove and refrigerator**

**What`s the difference between a new husband and a new dog? After a year, the dog is still excited to see you**

**Tech Support: How my I help you?**

**Customer: I`m writing my first e-mail. Tech Support: OK>, and what seems to be the problem?**

**Customer: Well I have the letter `a ` in the address but how do I get the circle around it?**

**A Ventriloquist** with the usual dummy on his lap was making offensive jokes at the expense of the Irish. Finally, Paddy could take it no longer. “Hey you! He shouted. :I object to you making fun of my countrymen.:

I`m sorry said the ventriloquist. “I meant no offence.” “I`m not talking to you ,” said Paddy “I`m talking to that cheeky little bas\*\*\*d on your lap.”

Laws of life

**Law of mechanical repair. After your hands become coated with grease, your nose will begin to itch and/or you`ll have to pee.**

**Law of the workshop. Any tool , when dropped, will roll to the least accessible corner**

**Law of the telephone. If you dial a wrong number, you never get a busy signal.**

**Law of the result. When you try to prove to someone that a machine won`t work, it will. Thanks Bev Hay**
