

Thoughts for the month, September

Remember: Life is like a roll of toilet paper. The closer it gets to the end the faster it goes.

Telemarketers-

Do you ever get those phone calls with no one on the other end? This is a technique where a machine makes phone calls and records the time of day when a person answers the phone. This is then used to determine the best time of day for a "real" person to call back and get someone at home. What you do if no one is there, is to immediately start hitting your # button 6 or 7 times, as quickly as possible. This confuses the machine and kicks your number out of the system..

Gosh! What a shame, you are not in the system anymore! Thanks Andy Palmer

Clyde:-

A farmer named Clyde had a car accident .In court, the trucking companies lawyer questioned Clyde. "Didn't you say at the scene of the accident, "I'm fine?" asked the lawyer? Clyde said, "Well I'll tell you what happened, I had just loaded my favorite mule Bessie, into the...I didn't ask for details, the lawyer said. "Just answer the question. Did you not say I'm fine!?" Clyde said "Well I had just got Bessie into the trailer and was driving down the road...." The lawyer again said "Judge, I am trying to establish that at the accident, this man told the Patrolman that he was just fine. Now weeks after the accident he is trying to sue my client. I believe he is a fraud. Please tell him to answer the question. By this time the Judge wanted to hear what Clyde had to say about Bessie. Clyde thanked the Judge and proceeded. Well I had just loaded Bessie, into the trailer and was driving down the highway when this huge semi-truck and trailer ran the stop sign and smacked my truck right in the side. I was thrown into one ditch and Bessie into another. I was hurting and didn't want to move. I could hear old Bessie moaning and groaning. Shortly after a Patrolman came on the scene. He could hear Bessie moaning and groaning so he went over to her. After he saw her fatal condition, he took out his gun and shot her between the eyes. He came across the road, gun still in hand, looked at me, and said "How are you feeling?"

"Now what the hell would you say?"

Thank you Anton
