# Thought for the month July 2010

**Age is issue of mind-over matter: if you don't mind, then it doesn't matter.**

**Idiot sighting.**
**When my husband and I arrived at a car dealership to pick up our car, we were told the Keys had been locked in it. We went to the service department and found a mechanic working feverishly to lock the driver's side door. As I watched from the passenger's side, I instinctively tried the door handle and found it unlocked. "Hey, I said to the technician, "It's open!" His reply, "I know, I already got that side!!!"**

**This was from the Ford dealership, DUBBO N.S.W.**

**Thank you Anton Gebhart.**

A little boy got lost at the YMCA and found himself in the women's locker room. When he was spotted, the room burst into shrieks, with ladies grabbing towels and running for cover. The little boy watched in amazement, and then asked, "What1s the matter, haven't you ever seen a little boy before?"

## WINDOWS

There are3 engineers in a car, electrical, chemical and a Microsoft engineer. Suddenly the car stops by the side of the road, and the three engineers look at each other wondering what could be wrong. The electrical one suggests stripping down the electronics and trying to trace the fault. The chemical one not knowing much about cars suggests the fuel maybe is becoming emulsified and getting blocked somewhere. THEN the Microsoft chap says, "Why don't we close all the windows, get out, get back in, open the windows again and maybe It'll work!

Thank you Anton Gebhart.
