Thought for the month March 2010
Don`t live in your past, BUT, always learn from it. It is the truth.

The Way children See things.
Nudity
I was driving with my three young children one summer evening when a Woman in the convertible ahead of us stood up and waved. She was stark naked!. As I was reeling from shock, I heard my 5-year old- shout from the back seat, “Mum! That lady is not wearing a seat belt!!! ☺ ☺ Thanks Jan

………………………………………………

One day, a man came home and was greeted by his wife dressed in a very sexy nightie. “Tie me up.” she purred, “ You can do anything you want.” ***So he tied her up and went golfing.***

****

Marriage is a relationship in which one person is always right, and the other is the husband.?

A father was approached by his small son, who told him proudly, “I know what the Bible means!’
His father smiled and replied, “What do you mean, you know what the Bible means? The son replied, I do know! “Okay.” Said his father. “So, Son, what on earth does the Bible mean?

A SMILE

A smile costs nothing, but gives so much.
It enriches those who receive it, without making poorer those who give.
It takes but a moment, but the memory of it sometimes lasts forever.

Food for thought
Have you ever been guilty of looking at others of your own age and thinking,” Surely I can’t look that old?” well…..you`ll love this one!
I was sitting in the waiting room for my 1st appointment with a new dentist. I noticed his DDS diploma, which bore his full name .Suddenly, I remembered that a tall, handsome, dark-haired boy with the same name had been at my high school 40-odd years ago. Could he be the same guy that I had a secret crush on so long ago, upon seeing him however, I quickly discarded any such thought. This balding, grey-haired man with the deeply lined face was way too old to have been my classmate.Hmmm……or could he????
After he examined my teeth, I asked him if he had attended Morgan Parks High School.
“Yes. Yes, I did. I had a thunderbird,” he gleamed with pride “.When did you graduate? I asked.
He answered, in 1956. Why do you ask? “You were in my class!” I exclaimed. He looked at me closely.
Then, that ugly, old, wrinkled son-of a- bitch asked……….

“ **What did you teach** ?” Thanks Beverley

My Grandmother started walking 5 miles a day, when she was 60! She is now 97, and we don`t where the hell she is!
2 The only reason I took up jogging is so that I could hear heavy breathing again.
3 I don`t exercise at all. If God had wanted us to touch our toes, he would have put them further up our body.
4 I like long walks , especially by people who annoy me.
5 There`s a book that tells where you should go on holidays. It is called a cheque book.
6 An apple a day keeps the doctor away, but an onion a day keeps everyone away!
7 When you walk backwards, it feels like you are helping everyone else move forward a little faster.
8 An angry person is seldom reasonable; a reasonable person is seldom angry.
9 Last but not least, I don`t jog, it makes the ice jump out of my glass. Many thanks Toni Broug
