Thought for the Month April 2011

Life is a journey. Enjoy the ride!!! You're quacking me up!!!

There were three men 0n a hill with their watches on. The first man threw his down the the hill And it broke,
The second man threw his watch down the hill, and it broke.
The third man threw his watch down the hill, walked to the bottom and caught it. The other men Were puzzeled and asked the third man how he did it.

The third man said , "Easy, MY watch is five minutes slow!!""☺☺

If life were like a computer you could add/remove someone in your life using the control panel
You could put the kids in the recycle bin and restore them when you feel like it.
You could improve your appearance by adjusting the display settings.
If you mess up your life, you could always press "CTRL, ALT,DELETE' and start life all Over again! (maybe we could try it ....eh?)

A pair of robbers entered a record shop and nervously waved a revolver.
The first one shouted, " NO BODY MOVE! "....When his partner moved, the startled first bandit Shot him!

- Two soldiers I the Mexican army were on curfew duty . :You patrol this side of the street, and I will patrol the other," said Pedro to his mate.
- They hadn't gone very far when a shot rang out and Pedro ran across the street to discover his mate with a smoking gun and a dead man on the footparth." Why did you shoot him ? demanded Pedro. "The curfew is not in force for another half an hour? " I know that," said his mate. " But I know where this hombre lives and there is no way he would have got home in time."
